Dear Parents and Whanau

Welcome to week two. It is great to see all of our students settled into a new term of learning.

School Closed for Instruction: **On Wednesday 15 August**, our school will be closed for instruction, due to the industrial action being undertaken by NZEI members. Our staff, and their primary teaching colleagues will join together in public rallies and marches around New Zealand. By undertaking strike action, teachers are hoping to really make an impact and ensure all New Zealanders know how serious we are about ensuring quality public education and a sustainable teaching workforce.

The MMI Board of Trustees fully support the teaching profession in seeking improved conditions, resourcing, funding and salary.

Our teachers, like teachers in many other schools, work incredibly, and at times, unreasonably, hard. The teaching shortage in New Zealand is indicative of the fact that this profession is not attracting enough people to fill vacancies. Here at MMI, we too have noticed a recent reduction in the numbers of applicants for roles we have advertised. This is hugely concerning. I understand that by closing the school for instruction on Wednesday 15 August, many families will be inconvenienced. We are all hoping that the negotiations are successful without any further need for disruption to teaching and learning. In saying this, I urge all families to support our wonderful teaching staff, by supporting them in their endeavours to fight for the future of education at our school and in our country.

Quiz Night
Organisation is well underway and the Quiz Night is shaping up to be a FANTASTIC night. Thank you to those parents who are getting in behind the evening. Remember, all children have been asked to contribute towards raffle prizes by donating quality grocery items to the school office. There is a great prize for the class who contributes the highest number of items. So, next time you are at the supermarket, pop something nice in the trolley and send it off to school the next day. The PSG are grateful for your support.

Good luck to all sporting teams who are competing at this Friday's winter tournament. I am looking forward to watching our teams in various codes. Congratulations to our basketball teams who both made finals at their competition last week.

Finally, on Tuesday of this week, we had the privilege of watching some amazing performances from the talented arts students from Mount Maunganui College. We were wowed by some awesome actors, musicians, presenters and singers. These older students were an inspiration for our kids and a credit to their school. Our combined haka at the end, with our whole school joining the MMC Kapa Haka group, sent shivers down my spine. I felt very proud to be leading our school in this fantastic community.

Have a fantastic week everyone.

Sir Peter Blake Award for Leadership
Recipient - Keilani Tiopira-Horne

Keilani is involved with many representative sports and displays excellent skills and sportsmanship. She demonstrates leadership in a variety of cultural, academic and sporting activities.

MMI would like to congratulate Keilani on this well deserved award.

Keilani is an outstanding student who shows leadership in all aspects of her life. She is a great role model for others, as she has a positive attitude and strives to do her best. She has the ability to lead from the front, or step back and encourage others to take the lead. She shows exceptional consideration of others and always encourages her peers to do their best. Keilani has very strong relationships with her peers and is also competent and confident when relating to adults.

As a class councillor, Keilani runs regular meetings within the classroom. She is a proud member of the school kapahaka group and will often lead. She shows great pride in her culture and whanau. At the end of year 7, Keilani was acknowledged, and received an award for her leadership in kapahaka.

GREAT RESULTS EVERYONE!!
UNLOCKED BIKES

Room 2 and Ms Osborne rescued these unlocked bikes from a bike bay, last Friday.

Our staff are not equipped to watch the bike bays during the school day and although we do our utmost to prevent people from entering our property and stealing bikes, this can happen from time to time. The amount pictured is concerning as these are the unlocked bikes from only one of our bike bays.

Please ensure your child has a bike lock or has a buddy that they can lock their bike up with, as it is very upsetting for children when their bike is taken.
This is a big thank you to the school community that supported our book fair. We had a great result with sales over $2200.00. We now have over $600.00 in rewards to help with book for the Library and Resource Room.

A special thanks to the PSG team for helping on conference day.

The magical MENZSHED

These wonderful men have created Jigsaw bases for our library. They are edged to keep the pieces from dropping off. 4 draws inside to organise and sort. These are a wonderful addition to the library for students to create jigsaws at interval and lunch.
We are beginning a **trial**, of a plain black beanie, as part of our winter school uniform for 2018.

**MMI beanie expectations....**

Must be completely plain black - no logos

- **Correct**
- **Incorrect**

**When are beanies to be worn?**

- Terms 2 and 3 only (trial)
- To and from school
- Interval and lunchtime if outside
- Not to be worn inside a classroom

**Where can I purchase a beanie?**

- From the school office
- $5 each
- First in first served

- Remember to wear our school uniform with pride
SPORTS INFORMATION

Well done to the boys from MMI, who played for Tauranga East rugby team, at the annual Tai Mitchell rugby tournament, which was held in the holidays, in Rotorua. The boys lost only one game (the semi-final against Tauranga West) to end up third overall.

Congratulations to Preston Sykes, Carter Rogers, Ethan Chamberlain, who have all been selected in the BOP Roller Mills rugby team, who will play in the annual Roller Mills tournament in the upcoming holidays.

Well done to Marley Igasan who was selected in the Year 7 BOP Wasps rugby team.

CROSS COUNTRY SUCCESS

3 of our MMI students competed in the Athletics Waikato/BOP Cross Country Champs last week and all medalled!

Both Adisen Mahy & Olivia Hala are Tauranga Ramblers runners and Alanah Eru is from Te Puke Harriers.

Adisen placed 2nd in boys U13 & Alanah placed 3rd in the U13 girls. Olivia placed 3rd and competed in the U15 category.

What are Council’s plans for bus and bike improvements in Arataki

We want to make it safer and easier for more people to bus and bike between Sandhurst Drive and Golf Road.

Over the past year, especially since the Bayfair to Baypark construction has started, there has been a significant increase in vehicle queues on local roads around Arataki. This is creating safety issues for people walking and riding bikes, and delays for buses.

We’re proposing to trial new bus lanes and separated bike paths along with some intersection upgrades.

Why bikes and buses?

A lot of students travel through this area, so we want to make it as safe as possible for people riding bikes. In December 2018 the Bay of Plenty Regional Council will start providing more frequent bus services. The bus lanes will help make these bus trips more reliable.

YEAR 7 VISION TESTING
OPT OUT FORM BELOW

Please return this form by Wednesday 8th August, if you DO NOT wish your child to have their vision tested.

YEAR 7 VISION SCREENING

Dear Parents/Caregivers

On Monday 13th August 2018, the Vision Hearing Technicians, from the Bay of Plenty District Health Board, will be visiting our school to carry out routine distance vision screening. All students in Year 7 are included in this as part of the National Screening Programme.

The screening test used checks distance vision only. It is NOT a full eye examination. (If you have concerns about close vision, please take your child to an optometrist).

- The student covers one eye and reads letters from a chart at a distance of 4 metres.
- Boys also have a colour vision test.
- Parents will be notified, by post, only when the screening results require further testing by an optometrist.

If you DO NOT wish to have your child’s vision tested for any reason, eg: if they have recently been examined by an optometrist or eye specialist, please sign the form below and return it to school before the testing date. Students who already have prescription glasses, do not need to be tested but DO need to return the below form.

Please cut here and return slip
